KEEPING UP-TO-DATE WITH THE PTO

Link to PTO's Recent Patent Related Notices:

For Windows™ OS users, adding a short-cut to this link in your "Startup" folder will open the PTO web page automatically each time you restart your computer to bring you the latest PTO patent related notices. There are many ways to accomplish this. For example, for Windows XP users, open the web page, select File:Send:Shortcut to Desktop. Drag the Shortcut to your [Drive]:\Documents and Settings\[User Name]\Start Menu/Programs/Startup folder. The next time Windows restarts, the web page will open.
